PATENT TRADEMARK OFFICE

Dear Sir:

Applicants submitted Information Disclosure Statement to the U.S. Patent Office on February 4, 2003. Upon review of the returned Form 1449, it appears that a reference listed under "Foreign Patent Documents" was inadvertently not initialed (WO 01/63893 on page 2).

Additionally, Applicants submitted Information Disclosure Statement to the U.S. Patent Office on January 7, 2002. The Examiner noted on the returned Form 1449 that one reference was not received.

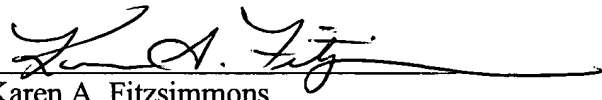

Applicants have herewith re-submitted the two references from each of the Information Disclosure Statements not initialed by the Examiner. A new Form 1449 listing each of the two references is also herewith provided. Applicant respectfully request that the Examiner return a completed initialed copy of the Form 1449 with the next communication.

It is respectfully submitted that the two references were previously submitted in proper conformance with the rules under 37 CFR §1.97. Accordingly, Applicants believe that no fee is required for resubmission of these references. If the Examiner determines that a fee is in fact required, the Examiner is authorized to charge such fees to Deposit Account No. 13-2725.

Respectfully submitted,

MERCHANT & GOULD P.C.
